

Tsunami® GX-824

Carrier Grade 24 GHz Unlicensed Microwave Backhaul

Point-to-Point (PtP) unlicensed microwave product operating in the 24 GHz band.

Proxim Wireless is a leader and an early innovator in wireless technology providing high-speed, long-range and mobile broadband wireless solutions.

Tsunami® GX-824, is a very high throughput, extremely reliable and cost-effective, all outdoor unlicensed point-to-point (PtP) microwave solution operating in the 24 GHz band. With its capacity up to 900 Mbps full duplex (1.8 Gbps aggregate), hitless ACM and modulation schemes up to 1024QAM, Tsunami® GX-824 brings new dimension to microwave links market and can be used as adequate alternative to 60 and 80 GHz millimeter wave links.

Features

- 24 GHz Unlicensed Frequency bands
- 3.5 to 112 MHz channels
- Transmission capacity up to 900 Mbps [660 Mbps in the USA and Canada due to regulatory constraints] ; 1.8 Gbps for 2+0 configuration [1.32 Gbps for the USA and Canada]
- Two Gigabit Ethernet + one SM/MM fiber interfaces
- Jumbo packets up to 10,240 Bytes
- Modulation type QPSK to 1024 QAM
- Hitless adaptive coding & modulation
- Forward error correction (FEC)
- Automatic TX power control (ATPC)
- All-Outdoor design with 1, 2, 3 or 4 foot antennas (30, 60, 90 or 120 cm)
- Full overvoltage protection of ODU unit

Applications

- Local / Metropolitan / Wide area networks
- IPTV distribution
- Multimedia applications
- Last miles

Management

- Proprietary GX-824 Manager
- Software configurable
- Independent diagnostic channel
- SNMP protocol
- WEB interface
- Command line interface
- System configuration 1+0, 1+1 or 2+0

Ethernet

- QoS support (VLAN p-bit / DSCP / port priority)
- Full support of VLAN and QinQ (802.1Q, 802.1ad)
- Two independent Ethernet lines through radio link
- Ethernet port shutdown when the radio link is bad

Ethernet

- Full over voltage protection
- DIN rail or rack mount compatible
- Compact 1U rack unit for 3 injectors
- **GX-824-POEINJ** surge protected PoE injector and **GX-824-PSU-ACDC** 48 VDC power supply are not included in with link (to be ordered separately)

PRODUCT MODELS
